Please note:

- ^r Your out-of-pocket maximum is the most you will be required to pay for any covered expenses. Plan payments do not count toward the out-of-pocket maximum. Annual plan deductible must be met before plan benefits apply. Benefit limits are measured on a plan year.
- * Covered services received from Tier III (out-of-network) providers are subject to maximum allowed amount (MAA) calculations. Participating Tier I and Tier II physicians and facilities usually charge a lower, contracted rate for services. For more information on MAA, consult your Summary Plan Description (SPD) booklet.

*** Failure to obtain pre-certification from HealthLink for out-of-network providers will result in a reduction in benefits of a \$500 penalty per hospital confinement, course of treatment or therapy (services must still be deemed medically necessary and appropriate for payment).
