The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms

of coverage, visit <u>www.illinois.gov/cms.</u> For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary/</u> or call (800) 624-2356 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	 \$0/individual for Tier I <u>Providers</u>. \$300/individual for Tier II <u>Network Providers</u>. \$400/individual for Out-of- <u>Network Providers</u>. 	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members in this <u>plan</u> , they have to meet their own <u>deductible</u> before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible?</u> Are there other <u>deductibles</u> for specific services?	Yes. <u>Preventive care</u> for Tier I and Tier II <u>Network Providers.</u> No. There are no other specific <u>deductibles</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> . You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ? What is not included in the <u>out-of-pocket</u>	\$6,600/individual or \$13,200/family for Tier I Providers and Tier II Network Providers combined. Unlimited for Out-of-Network Providers. Premiums, Balance-Billing charges, and Health Care this	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
limit? Will you pay less if you use a <u>network</u> <u>provider</u> ?	<u>plan</u> doesn't cover. Yes, HealthLink Open Access. See <u>www.healthlink.com</u> or call (800) 624-2356 for a list of <u>network providers</u> .	You pay the least if you use a <u>provider</u> in Tier I. You pay more if you use a <u>provider</u> in Tier II. You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> without a <u>referral</u> .

* For more information about limitations and exceptions, see <u>plan</u> or policy document at <u>https://www.illinois.gov/cms</u>.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
