

ProviderInfoSource®

Provider User Guide

Forms and Manuals

Chapter 9

HealthLink®

ProviderInfoSource is an online tool that gives you and your staff immediate access to information pertinent to your practice

<http://providerinfosource.healthlink.com>

9.0 FORMS AND MANUALS

9.1 Forms and Manuals Tab

This is your gateway to HealthLink's library of downloadable and interactive forms and documents.

1. Laboratory Services Change Form
2. Physician Address / Name / TIN / NPI Change Form
3. Physician Nomination Form

Forms may be completed online, with electronic submission directly to the appropriate HealthLink department.

This section of *ProviderInfoSource* includes standardized forms such as physician nomination and physician information change forms, precertification request forms and W-9 forms. You also may access administrative tools, including the HIPAA Standard Transactions and EDI Companion Guides, IVR (Interactive Voice Response) System instructions, Clinical Practice Guidelines and HealthLink's Administrative Manual for Providers.
