Member Access User Guide – Special Offers

Member Access is an on-line tool that gives you immediate access to information pertinent to your health.

www.healthlink.com

7.0 SPECIAL OFFERS

7.1 Overview

Need to find a doctor or hospital? Click the **Provider Locator** tab to check the HealthLink online physician/hospital directory. You can also create a customized directory.

The **Provider Locator** feature allows you to find a doctor to locate a physician or hospital participating in a HealthLink network.

You do not have to be logged in to use this feature of *HealthLink Member Access*. Simply click the **Provider Locator** tab located on the Home Page (Authenticated or Non-Authenticated) (Figure 1).
